# *Pomace Oil*

**Viaggio Pomace Olive Oil** is olive oil that is extracted from olive pulp after the first press by refining methods which do not lead to alterations in the initial glyceridic structure. It has a free acidity, expressed as oleic acid. Olive Pomace Oil stands up to heat when you're baking and cooking. This means that the heat used in cooking and the general process of making your food won't damage the oil, including the taste or the smell which will ultimately result in better tasting final product.

# *Roasted Red Peppers*

**Viaggio Fire Roasted Red Peppers** are just that, sweet red peppers roasted over fire. Our peppers are harvested, roasted and packed for Farmers from Italy twice a year, ensuring fresh-tasting peppers. Due to the high demand for these peppers by Farmers From Italy clients, multiple crops are produced and shipped to the United States annually which means they don't sit in our warehouse for very long. Red peppers have more nutrients than green peppers (nine times the amount of carotene) and because of their color, they contain the antioxidant lycopene. Enjoy Viaggio Roasted Red Peppers marinated in Viaggio Extra Virgin Olive Oil and chopped fresh garlic.
